	7 Submitted with a draft order transferring the Charge of Water Works to the Mil Cl as opined by the Ch Engineer AWK 70 17/2 1913
	8 This is the first instance of a Municipal Council coming forward to take charge of its water works. The experiment is an interesting one, as it will show how far our local bodies can be trusted to take up such responsibility. The Ex Engineer Water Supply Dr will be available for advice, and the report prescribed in the draft as suggested by the Chief Engr will enable Govt to come to a decision as to the future policy 9 Draft may be approved, if deemed suitable Dr Lee 4/ 10 Please put up a tidy draft as revised

S I R,

With reference to Government order No.7884-6/Ml. 58-12-5 dated 3rd April 1913 directing that the D.P.W. do continue to be in charge of Harihar Water Works, I have the honor to state that the order was communicated to the municipal council of Harihar through the Sub_Division Officer of Davangere who is the President of the Municipality.

2. The municipal council are not now in favor of the Public Works Department being in charge of the works and strongly urge that the entire charge thereof should be handed over to them. The President of the Municipality supports the proposal of the council

3. A copy of the President's letter and also an extract of the resolution of the council on the subject are herewith submitted for the orders of Government.

I have the honor to be,
S I R,
Your most obedient servant,

Deputy Commissioner,
Chitaldrug District.

S.V.

Enclosure 699-1/M1

Copy of letter No. 110 dated 26th August 1913 from the President, Harihar Municipality, to the Deputy Commissioner, Chitaldrug District.

---:0:---

With reference to your memo No. 1523 dated 9th May last forwarding for information and guidance of the municipal council, copy of Government Proceedings No. 7884-6/M1 58-12-5 dated 3rd April 1913 regarding the charge of the Harihar Water Works, I have the honor to state that the Harihar Municipal Council are not in favor of the Public Works Department being in charge of the water works and strongly urge that the entire charge thereof should be given over to them and placed under the orders of the President The Water Supply Department will, of course, be free to advise the council as regards the working and efficiency of the Machinery. It is hoped that this arrangement would satisfy the townspeople whose complaints regarding the insufficiency of the water supply etc are becoming frequent and loud. I beg to request the favor of your kindly recommending the above resolution for the early sanction of Government.

Copy of the municipal council's resolution in the matter is herewith forwarded for kind perusal
